# Bar-S 24 oz. Hot Links 8-Count | Export

Bar-S Hot Links are made from top-quality, USDA-inspected meats. Each link is highly-seasoned with zesty spices and tender, juicy meat that is stuffed into a dark-brown casing. These links are popular among those who enjoy that spicy, southwestern-style flavor.

Our 24-ounce size is packaged with an easy-open seal, which helps maintain freshness and provide easy access. With 8 links per package, the smaller size is great for individual consumers and small families. Try them on the grill, with a casserole or in a bun for a twist on the classic hot dog.
